Beanstalks Team Challenge

Start Well, End Well

What is Beanstalks Team Challenge?

The Beanstalks Team Challenge is an interactive team building afternoon, focussed on corporate teams working together and competing against other corporate organisations.

All funds raised from this event will raise life-changing funds for critically ill children in the Paediatrics Emergency Department at the Royal North Shore Hospital.

An initiative proudly developed by ID Events Australia in collaboration with Be Challenged.

Event Day Details:

-  **Thursday 30th August 2018**
-  **2-5pm**
-  **Luna Park, Olympic Drive, Milsons Point**

Participation Cost: \$1000 (teams of 5 people*)

*Should you have more than five team members please contact the Beanstalks Coordinator, Danielle Grainger on 9965 4322 or beanstalksteamchallenge@ideventsaustralia.com.

How you will make a difference

The RNSH Emergency Department sees 24,000 paediatrics patients each year.

All funds raised from this event will raise life-changing funds for critically ill children in the Paediatrics Emergency Department at the Royal North Shore Hospital.

What does the day entail?

Teams (of 5) will be discovering the Luna Park as they work their way through an activity app on an iPad which will guide teams to their checkpoints around the park. Once members arrive at their destination, GPS-triggered challenges are issued to the teams in the form of questions, clues, and pictures that each team will work together to complete.

Teams will work through the tasks to use strategy and problem solving skills to earn as many points as possible and the winning team receives a fabulous prize!

ABOUT YOUR HOSTS

ALL PARTNERS PROVIDE THEIR SERVICES PRO BONO.

The Kolling Foundation is the fundraising partner for hospitals and medical research within Northern Sydney Local Health District. This includes **Royal North Shore, Ryde, and Hornsby Ku-Ring-Gai hospitals**, as well as **The Kolling Institute of Medical Research**.

The Kolling Foundation works to inspire and enable our community to support improvements in patient care and equipment at our hospitals, as well as medical research to improve human health outcomes through better treatments, preventions and cures at the Kolling Institute.

Together we share a common vision - to unite health research and education with patient care and community wellbeing. In doing so, we can make discoveries across all aspects of health care, from birth to death.

Be Challenged are one of Australia's most renowned and reputable team building companies who create interactive team building events that turn individuals into great collaborators and more effective team players.
